

## BIBLIOGRAPHY

**1. INTERNAL PROJECT REPORTS** (*for institutional details and addresses where these reports may be obtained, see section 2.4 of the report*)

**CIES (1995a)** *'Hacia la reducción de la mortalidad materna en Bolivia: informe de la fase cualitativa'* ('Reducing maternal mortality in Bolivia: report on the qualitative phase'). La Paz: CIES. (44pp; Spanish language text)

— **(1995b)** *'Hacia la reducción de la mortalidad materna en Bolivia: informe preliminar de la fase cuantitativa'* ('Reducing maternal mortality in Bolivia: preliminary report on the quantitative phase'). La Paz: CIES. (21pp. + tables; Spanish language text)

— **(1995c)** *'Hacia la reducción de la mortalidad materna en Bolivia: prácticas apropiadas de atención perinatal en los sistemas biomédico y tradicional'* ('Reducing maternal mortality in Bolivia: appropriate practices of perinatal care in the biomedical and traditional systems'). La Paz: CIES. (12 pp.; Spanish language text)

— **(1995d)** *'Encuentro de parteras de la Ciudad de El Alto: informe parcial del equipo organizador'* ('Workshop for midwives of El Alto city: preliminary report of the organising team'), prepared by Susanna Rance. La Paz: CIES. April 1995. (21pp.; Spanish language text)

**ILCA (1994)** 'Traditional Maternity in Qaqachaka, Oruro: an outline summary of the existing health care facilities, practices and beliefs surrounding childbirth in one Andean *ayllu*', by Denise Arnold and Juan de Dios Yapita. La Paz: ILCA. July 1994. (66 pp., including glossaries of Aymara terms; English language text submitted to the EC; Spanish language translation, *'Maternidad tradicional en Qaqachaka'*, circulated to the team in Bolivia in October 1994).

**ILCA (1995a)** *'Maternidad tradicional en el altiplano boliviano: las prácticas del parto en algunas comunidades aymaras'* ('Traditional maternity in the Bolivian highlands: birth practices of some Aymara communities'), by Denise Arnold, Juan de Dios Yapita, Mauricio Mamani, Cipriana Apaza, Margarita Tito, Marcelo Villena, y Yolanda Payano. La Paz: ILCA. March 1995. (83pp.; Spanish language text; Annexes include table of 'Traditional Medicine used in birth', 23pp., and transcription/translation of interview in Aymara with a male traditional midwife, 55pp.)

- . **(1995b)** *‘Informe borrador de la comunidad de Unkallamaya’* (‘Preliminary report on the community of Unkallamaya’), by Mauricio Mamani, Denise Arnold, and Yolanda Payano. La Paz: ILCA. April 1995. (41 pp.; Spanish language text; accompanied by transcription/translation of interview in Aymara with a traditional midwife, 68pp.)
  
- . **(1995c)** *‘Informe borrador, fase cuantitativa: Maternidad tradicional en el altiplano boliviano: las prácticas del parto en algunas comunidades aymaras’* (‘Preliminary report, quantitative phase: Traditional maternity in the Bolivian highlands: practices of birth in some Aymara communities’), by Denise Arnold and Juan de Dios Yapita, with the ILCA team and statistical consultants. La Paz: ILCA. June 1995. (114pp.; Spanish language text and tables)
  
- . **(1995d)** *‘Informe Final. Proyecto para la reducción de la mortalidad materna: prácticas apropiadas del parto’* (‘Final Report. Project on the reduction of maternal mortality: appropriate birth practices’), Denise Arnold and Juan de Dios Yapita. La Paz: ILCA. July 1995. (8 pp.; Spanish language text)
  
- TCD (1995a)** *‘Summary quantitative report for Sucre’* (*‘Informe sumario cuantitativo del estudio Sucre’*), by Jo Murphy-Lawless, Centre for Women’s Studies, Trinity College, Dublin. July 1995. (47 pp. + tables; English language text; Introduction, 13pp. also available in Spanish)
  
- . **(1995b)** *‘Políticas y prácticas biomédicas para las mujeres en trabajo de parto en Sucre’* (‘Bio-medical policies and practices for women in labour in Sucre’), by Jo Murphy-Lawless, Centre for Women’s Studies, Trinity College, Dublin. (16pp.; English and Spanish language versions extant)
  
- . **(1995c)** *‘Informe interpretativo de los datos de la fase cuantitativa’* (‘Analytical report on the data from the quantitative phase’), by Mary Aguilar and Barbara Bradby, Department of Sociology, Trinity College, Dublin: Parts I and II on the Sucre peri-urban study, July 1995; Part III on the Ocurí study, November 1995. (42pp.; Spanish language text)
  
- TCD/TIFAP (1995)** *‘Informe parcial de la fase de investigación cuantitativa’* (‘Preliminary report on the quantitative research phase’), by Jo Murphy-Lawless and Teresa Ramos. Sucre, TCD/TIFAP. (12pp.; English and Spanish language versions extant)
  
- . **(1996)** *‘Partos domiciliario y hospitalario en un barrio peri-urbano de Sucre: experiencias relatadas por mujeres’* (‘Home and hospital births in a peri-urban barrio

of Sucre: women recount their experiences'), by Mary Aguilar and Barbara Bradby, Dept. of Sociology, TCD, with support of Primo Nina and Teresa Ramos, TIFAP. Dublin. March 1996. (124 pp.; Spanish language text).

**TIFAP (1995a)** '*Vocabularios acerca del parto*' ('Vocabularies of birth'), by Primo Nina. Sucre: TIFAP. (21 pp; Quechua vocabularies of birth from interviews, with Spanish translations).

— (1995b) '*Los tabúes y la tecnología del parto en una comunidad de pastores de puna*' ('Taboos and technology of birth in a highland pastoral community'), by Cassandra Torrico. Sucre: TIFAP. (55pp.; Spanish language text).

— (1995c) '*Informe parcial de la fase de investigación cuantitativa*' ('Preliminary report on the quantitative research phase'), by Primo Nina, Azari peri-urban team. Sucre: TIFAP. June 1995. (7pp.; Spanish language text).

— (1995d) 'Reading figures' ('*Una lectura de las cifras*'), by Cassandra Torrico, Tumaykurí rural team. Sucre: TIFAP. (approx. 20 pp.: English and Spanish language versions extant).

— (1995e) '*Resumen parte cualitativa y cuantitativa: area rural y urbana —Liq'uni, Phichichua y Azari*' ('Summary of the qualitative and quantitative phases: rural and urban areas —Liq'uni, Phichichua and Azari'), by Primo Nina. Sucre: TIFAP. July 1995. (10 pp.; Spanish language text).

— (1995f) 'Cassandra's summary'

#### **University of St. Andrew's/TIFAP (1995a)**

**University of St. Andrew's/TIFAP (1995b)** '*Informe sobre la encuesta cuantitativa de madres campesinas*' ('Report on the questionnaire survey of rural mothers'), by Balbina Arancibia and Tristan Platt, University of St. Andrew's, with the support of Primo Nina. Sucre: TIFAP. June 1995. (22pp.; Spanish language text)
